

Wow its that time of the year already!

We are excited to announce that once again it's time to start planning our "2008 KCKA Awards Ceremony"! At the annual banquet, we honor racers and support crews for their accomplishments over the 2008 season. We also recognize members that have shown great dedication to our organization over the year(s). During this event we have traditionally given door prizes to all that attend the ceremony.

We're asking for your help, please help us make a difference!

We are looking for items that you are willing to donate. The door prize items are not just limited to racing or Go-Karting related items. For example: gift certificates, memorabilia, and promotional products make great door prizes. If you have an idea, we'd love to talk to you about it!

KCKA is dedicated to the development of youth in our communities. We provide and promote a family oriented sport that helps in the building in children's self esteem, sportsmanship, social and resolution skills, and exhibit the true meaning of teamwork between parents and children. Without your support, we would not be able to continue this type of atmosphere for our racers, their families and our communities.

If you are able to help in our support of this great cause, please send your donation items by January 21st, 2009 to KCKA, P.O. Box 66, Liberty, MO 64069 or visit our Web Site at www.KCKARTING.com and contact one of our Board Members.

Thank you for your time and support of KCKA and have a great day!

Sincerely yours,
KCKA Board of Directors
